To the Inhabitants of the Town of Richmond, in the County of Cheshire in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at The Veterans Hall in said Richmond on Tuesday, the 13th of March, next at 7:00 of the clock in the Evening to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. Shall we adopt the provisions of RSA 466:30-a which make it unlawful for any dog to run at large, except when accompanied by the owner or custodian, and when used for hunting, herding, supervised competition and exhibition or training for such?
(By Petition) (Voted on by secret ballot)

3. Shall we adopt the provisions of RSA 72:70 for a property tax exemption on real property equipped with a wood heating system which exemption shall be in the amount of the total cost of such system?
(By Petition) (Voted on by secret ballot)

4. To vote by ballot to accept the proposed 1990 revision of the Richmond Zoning Ordinance in accordance with the statutes of the State of New Hampshire.

PROPOSED RICHMOND ZONING AMENDMENTS

1. Amend ARTICLE 2 ESTABLISHMENT OF DISTRICTS to read as follows:

202.1,B Lakeside District (Article 5)

All the area within five hundred, twenty-five (525) feet, as measured by horizontal distance, from the high water mark of Cass Pond and Sandy Pond.

Amend ARTICLE 5 LAKESIDE DISTRICT to read as follows:

501.1 This district shall consist of single family residential dwellings (permanent, year-round or seasonal) and related accessory buildings.

502 Frontage and Yard Requirements

502.1 Frontage - Every dwelling shall have a minimum lot frontage of two hundred fifty (250) feet on a public road (class I-V), or on an approved subdivision road. Lots having water frontage shall have a minimum of one hundred fifty (150) feet of shore line.

502.2 Yard requirements - No building shall be located nearer than twenty-five (25) feet to an abutter's property line and eighty-three (83) feet from the center of the public road and one hundred (100) feet from the normal high water mark.

502.3 No dwelling shall be erected or placed on a lot of less than three (3) acres unless such lot shall have been a tract of record as of March 13, 1990, or on such additional area as may be necessary so as to accommodate an approved sewage disposal system, and such lot shall be appropriate in all respects to the use for which it is intended.

2. Amend ARTICLE 2 ESTABLISHMENT OF DISTRICTS to read as follows:

202.1, C Wetlands Conservation District (Article 6)

All land areas within seventy-five (75) feet, as measured by horizontal distance, of the high water mark of any pond, stream, brook or wetland and areas identified and delineated as poorly or very poorly drained soils by the Cheshire County Conservation District's Soil Survey of Cheshire County New Hampshire completed in 1989. (see map)

Amend ARTICLE 6 WETLAND CONSERVATION DISTRICT to read as follows:

601 General

The Wetland Conservation District is hereby determined to be all land areas within seventy-five (75) feet, as measured by horizontal distance of the high water mark of any ponds, lakes, streams and brooks or wetlands as well as those areas identified and delineated as poorly drained or very poorly drained soils by the Soil Survey of Cheshire County New Hampshire completed in 1989 and shown on its field mapping photographic sheets for the Town of Richmond, New Hampshire.

The Wetland Conservation District as herein defined is shown on a map or maps designated as the "Town of Richmond Wetland Conservation District Map" and is part of the "Zoning Map" of the Town of Richmond, New Hampshire. For a detailed explanation of

soil types, see "Soil Survey of Cheshire County New Hampshire" issued June 1989, on file with the Town Clerk and Planning Board.

602.3 To prevent unnecessary or excessive expenses to the town to provide and maintain essential services and utilities which arise because of the inharmonious use of wetlands.

603 In the Wetlands Conservation District no use is permitted that would result in the erection of any structure or alter the surface configuration through excavation or by the addition of fill, or that is not otherwise permitted by the zoning ordinance except the following permitted uses:

605 Special Provisions
Wetlands may not constitute more than 50 percent of the minimum lot requirements, and no septic tank or leech field may be located closer than one hundred (100) feet to any wetland.

3. Amend ARTICLE 3 GENERAL PROVISIONS to read as follows:

301 When any conforming structure(s) is (are) destroyed by fire or any other means, the owner of the land on which such structure(s) is (are) located shall, within one year: (1) remove the ruins, fill in any foundation holes and regrade the site to ground level; or (2) repair, rebuild or replace the structure(s). The owner of a non-conforming structure shall be permitted to rebuild said structure use on the same site, provided the rebuilding shall begin within one year from the date of damage or destruction or such other, reasonable time period as may be determined and granted by the Board of Adjustment. Otherwise, any reconstruction or new construction shall be in conformance with the provisions of this ordinance.

302 In accordance with the provisions of RSA 155-E, as amended, a permit shall be obtained from the Planning Board for the removal of clay, sod, loam, sand, gravel or other earth material from any parcel within any district except the Lakeside District. No permits will be issued for the Lakeside District.

302.1 Any excavation or removal of material shall comply with all provisions or RSA 155-E.

303 No junkyard or place for the storage of discarded machinery, vehicles, scrap material, or other junk including major and/or minor appliances shall be maintained in any district.

304 All subsurface sewage disposal systems shall be constructed and maintained in accordance with the standards set and enforce by the

N.H. State Department of Health and the N.H. Water Supply and Pollution Control Division. Such approval shall be required where applicable before issuance of a building permit.

305 A recreational vehicle may be used as a temporary dwelling, on a transient basis, which shall not exceed three (3) months in any calendar year unless such vehicle is located or stored in a campground or a recreation vehicle camping park. However, upon written application from the owner of said vehicle, the Board of Selectmen may grant an extension not to exceed three (3) additional months. Recreation vehicles shall not, under any circumstances, be used as a permanent place of residence.

306 Driveways - A driveway permit, issued by the Selectmen shall be required before constructing a driveway entrance, exit or approach to any property when said driveway entrance, exit or approach is located within the right-of-way limits of any town road. In the event that the property is located on a state highway or road, an approved driveway permit from the NH Dept. of Transportation shall be required. All driveways shall be constructed in accordance with the specifications contained in the applicable permit (state or town) and said driveway shall be inspected and approved by the Town Road Agent and/or Selectmen prior to the issuance of a building permit as may be applicable.

308 No motor vehicle shall be used or converted from its manufactured intention to a dwelling.

309 No structure shall exceed two and one-half (2 1/2) stories in height or thirty-five (35) feet. The height of a building shall be measured from the highest point of the roof line to the average elevation of the finished grade of the ground half-way between the front and back of the building and within twenty (20) feet of the foundation. The height limitation shall not apply to chimneys or antennas.

310 For the purpose of this ordinance cluster developments shall be considered a subdivision subject to review and approval or disapproval by the Planning Board.

311 No land area within a public right of way shall be used to satisfy the minimum frontage or yard requirement in any district.

4. Amend ARTICLE 4 RESIDENTIAL DISTRICT to read as follows:

403 No dwelling shall be erected or placed on a lot of less than four (4) acres, unless such lot shall have been a lot of record as of March 13,1990, or on less than such additional area as may be necessary so as to accomodate an approved sewage disposal system, and such lot shall be appropriate in all respects to the use for which it is intended.

5. Amend ARTICLE 4 RESIDENTIAL DISTRICT to read as follows:

401.1 It shall be primarily a residential district with agricultural and farming uses also permitted.

401.5 Home occupations and cottage industries as defined in Article 15.

402.1 Frontage - Single family dwellings shall have a minimum lot frontage of two hundred fifty (250) feet on a public road (class I-V), or on an approved subdivision road.

402.2 Yard requirements - No building or structure, except fencing, shall be located nearer than twenty-five (25) feet to an abutter's property line and eighty-three (83) feet from the center of the public road.

404 Multifamily dwellings and cluster developments are permitted provided the minimum lot area for each dwelling unit shall be three (3) acres. The site or lot for each multifamily or cluster development shall have a minimum frontage of two hundred fifty (250) feet on a public road (class I-V), or on an approved subdivision road.

804 The Board of Selectmen shall have the authority to permit a single dwelling to be placed on a lot having less than two-hundred fifty (250) feet of frontage on a public road (class I-V), or on an approved subdivision road provided the applicant demonstrates that said lot was a lot of record as of March 13, 1990.

6. Amend ARTICLE 7 INDUSTRIAL DISTRICT to read as follows:

Change RSA 31:63-a to RSA 675:3

7. Amend ARTICLE 8 NONCONFORMING USES to read as follows:

803 The Board of Selectmen shall have the authority to approve the construction of, or alteration or addition to, nonconforming accessory buildings when such accessory buildings are associated witha nonconforming main building.

8. Amend ARTICLE 9 ENFORCEMENT & ADMINISTRATION to read as follows:

902 The Board of Selectmen shall issue all building permits requested when such are in accordance with the provisions of the ordinance. The Board of Selectmen may make a reasonable charge for such permits. All such permits shall be valid for a period not exceeding one (1) year from the date of issuance.

If the applicant has not completed the proposed construction or received an approved certificate of occupancy within the one (1) year time limit, the applicant must renew his building permit by applying for a renewed building permit. If the applicant has not started construction within the prescribed time period, the building permit shall expire and shall not be renewed. If a building permit expires, the applicant must submit a complete new application including the payment of all applicable fees.

If the Selectmen fail to renew a building permit for any reason, they shall notify the applicant of their decision and the reasons related thereto; within ten (10) days of the expiration date of the original permit or the date the application for renewal is received whichever is later. Notice of refusal to renew a building permit shall be mailed to the applicant by certified mail. Depending upon the nature and conditions for not renewing a building permit, the Selectmen reserve the option to resolve the matter by:

1. Renewing the building permit after the applicant has satisfactorily agreed to resolve and/or correct the conditions which led to the permit not being renewed; or
2. Requiring the applicant to apply for a new permit subject to all applicable application procedures and fees.

903 A building permit shall be required: (1) prior to the erection, addition, alteration or relocation of any building or structure or portion thereof. It shall be unlawful for any person to commence work for the erection, addition, alteration or relocation of any building or structure until a permit has been approved and issued by the Selectmen. No building permit shall be required for normal maintenance activities, minor repairs and minor alterations that do not structurally alter or change a building or structure. No building permit shall be issued for a lot with a private septic system until an approved septic system permit has been obtained from the NH Water Supply and Pollution Control Division.

903.1 Application for a building permit
All applications for building permits shall be accompanied by plans drawn to scale and submitted in duplicate, by the owner or his agent and shall show:

a. The actual shape and dimensions of the lot to be built on;
b. The size and location on the lot of the building(s) or structure(s) to be erected or altered;
c. The location of all setback lines - front, side and rear; and
d. The location of all septic system facilities and well(s).

904 Occupancy Permit - An approved occupancy permit shall be required before any new dwelling/building/structure or existing dwelling/building/structure that has been structurally altered can be occupied. The occupancy permit shall be applied for by the owner or his agent when the construction for which a building permit was issued has been completed. The occupancy permit shall be issued within ten (10) days after the erection alteration of the dwelling/building/structure, or portion thereof, has been completed and after an inspection of said dwelling/building/structure shows that it is in conformance with the provisions of the building permit and the provisions of the ordinance or any other town regulations that are applicable.

904.1 Occupancy permits are required for the following:

a. the occupancy of a new building or structure
b. the occupancy of any existing building or structure that has been structurally altered or relocated;
c. the change in the use of an existing building or structure;
d. any change in the use of a nonconforming use or structure.

Sections 904, 905, and 906 in the present zoning ordinance shall be renumbered to Sections 905, 906, respectively.

9. Article 15 DEFINITIONS is amended to read as follows:

1502 Dwelling Unit - A single housekeeping unit designed and used exclusively for residential purposes which includes living, sleeping and complete kitchen and bathroom facilities and is set on a permanent foundation except manufactured housing which can be set on its chassis.

1503 Dwelling - A building or portion thereof which is used exclusively for human habitation.

1504 Home Produce - Means any produce of an agricultural, horticultural, or silvacutural nature which is grown by a bona fide

resident of the Town or a property owner or a member of their family. Such produce may include forest products, firewood, christmas trees, etc.

1505 Frontage - The length of lot fronting on the right-of-way line of public road (class I-V) or an approved subdivision road.

1506 Lot of Record - Land designated as a separate and distinct tract or parcel in a legally recorded and/or subdivision plan filed in the Cheshire County Registry of Deeds prior to March 13, 1990, and such lots that are shown on a subdivision map accepted by the Planning Board for review prior to January 6, 1990 and subsequently approved and recorded after March 13, 1990.

1507 Nonconforming Use - A nonconforming use is the use of any building, structure and/or land which does not conform to the provisions of this ordinance or any amendment thereto and where such use lawfully existed prior to the adoption of the ordinance or any amendment thereto.

1508 Nonconforming Building or Structure - A nonconforming building or structure is a building or structure which, in whole or part, does not conform to the provisions of this ordinance or any amendment thereto and where such building or structure lawfully existed prior to the adoption of this ordinance or any amendment thereto.

1509 Junk - Any old metals, old bottles, or other solid textile mill waste, unfinished cloth, or other textile mill waste, old paper products; old rubber products; old plastic products, used parts and materials of motor vehicles; major and/or minor appliances and other second hand or waste articles, the accumulation of which is detrimental or injurious to the neighborhood.

1511 Manufactured Housing - Manufactured housing means any structure, transportable in one or more sections, which in the traveling mode, is 8 body feet or more in width and 40 body feet or more in length, or when erected on site, is 320 square feet or more, and which is built on a permanent chassis and designed to be used as a dwelling with or without a permanent foundation when connected to required utilities, which including plumbing, heating and electrical heating systems contained therein. Manufactured housing as defined in this section shall not include presite built housing as defined in RSA 674:31-a.

1513 Recreation Camping Park or Campground - A plot or parcel of land containing two (2) or more campsites for tents, travel trailers, tent campers, pickup campers and motor homes that may be located and maintained on said campsites as temporary living quarters for non-permanent residents who are vacationing in the area. Such parks and campgrounds may be operated on a seasonal or year-round basis but the campsites and/or recreational vehicles shall not be used as a permanent place of residence or dwelling.

1514 Manufactured Housing Park - A parcel of land under single ownership which has been planned and improved for the placement of manufactured housing units for non-transient use.

1515 Building - Any structure having a roof supported by columns or walls and intended for the shelter, housing or enclosure of any individual, animal, process, equipment, goods, or materials of any kind of nature.

1516 Structure - Any man-made object or construction having an ascertainable stationary location on, above or below the surface of the land or water.

1517 Multifamily Dwelling - A building containing three (3) or more dwelling units and designed to be used or occupied by three (3) or more families or individuals living independently of each other and with each unit having its own exterior entrance or an entrance from an interior hall.

1518 Cluster Development - A tract of land to be developed as a single entity for a number of dwelling units under the provisions of this ordinance. Such developments usually include a more compact arrangement; single family units (detached or attached) or multifamily dwellings grouped in or around common open space.

1519 Wetlands - All waterbodies; i.e., ponds, lakes, streams, brooks, wetlands as well as those areas identified and delineated as poorly or very poorly drained soils by the Cheshire County Conservation District in the Soil Survey of Cheshire County New Hampshire completed in 1989.

1520 Unit - delete and renumber the remaining definitions as follows: 1520 Ruins; 1521 Foundations; 1522 Vehicle; 1523 Property; and 1524 Cottage Industry.

1525 Home Occupation or Home Based Business - Any use which is customarily, or may be properly, carried on entirely within a

dwelling or an accessory building by the owner thereof or an immediate family member.

1526 Abutter - An abutter, for the purposes of notification shall be as defined in State of New Hampshire RSA 672:3.

1527 Lot - A tract or parcel of land designated for conveyance, or transfer of ownership, development, or sale and/or lease whether immediate or future.

1528 Public Right-of-Way - The entire width between the boundary lines of any public highway, street, avenue, road, alley, parkway or any such way which has been dedicated in use for public use by state statue RSA 229:1.

10. Amend ARTICLE 12 - PENALTY to read as follows:

1201 The penalties for violating any section of this ordinance shall be the maximum civil and criminal penalties allowable by statues. Refer to RSA 676.17, as the same may be amended.

AUDITOR'S REPORT

Richmond, NH 03470
February 1990

The Board of Selectmen
Town of Richmond
Richmond, NH 03470

I herewith submit the report on the audit and examination of the Town of Richmond accounts and records for the fiscal year ended December 31, 1989. The enclosed financial statements are an integral part of this report and must be retained by the Town Clerk with other permanent Town records.

SCOPE OF AUDIT

The accounts and records of the Board of Selectmen, Treasurer, Tax Collector and Town Clerk were carefully verified and checked.

FINANCIAL STATEMENTS

1. Comparative Balance Sheets show that assets exceed liabilities by the sum of $113,554.48 for the year ended December 31, 1989. There was a net surplus of $40,658.13 in 1988.

2. The Statement of Appropriations and Expenditures shows a net unexpended balance of appropriations amounting to $389,375.27. In 1988 there was $18,544.11 in unexpended balances.

3. The Statement of Estimated and Actual Revenues shows a net revenue surplus of $289,659.87. The 1988 surplus amounted to $243,768.91.

4. The Budget Summary indicates a net budget surplus of $665,179.09.

5. Accounts of the Town Treasurer, Town Clerk, Tax Collector, the Fire Department Equipment have been summarized and tabulated.

AUDIT PROCEDURES

The accounts and records of Town Officials charged with the receipt, disbursements and custody of public funds, as indicated by the scope of the audit, were inspected and verified to the best of my knowledge and ability. All town books and accounts were examined carefully and, where necessary, tests of certain records were made as part of the audit.

CERTIFICATION OF AUDIT

I hereby certify that I have examined and audited the accounts and records of the Town of Richmond, New Hampshire, for the fiscal year ending December 31, 1989. In my opinion, the attached balance sheets and other statements of sources of revenue and expenditures truly represent the financial position of the Town of Richmond for this period.

THANKS

I sincerely thank the Town Clerk, Tax Collector, Town Treasurer, Selectmen and their Secretary for their kind help and cooperation during the examination of their books and records.

Respectfully submitted
Linda S. Herron
Auditor
Town of Richmond, NH

CONSERVATION TASK FORCE REPORT

The Task Force is pleased to share in the honor the Town has given in placing the photograph of part of the Bennett Easement on the cover of the Town Report. The portion of Brickyard Brook covered by the Bennett Easement is a lovely spot and a perpetual reminder of the public spirit and generosity of Jennie Bennett and the late Harry Bennett.

At a special meeting on March 6, 1989, the Task Force presented a letter of thanks to Mrs. Bennett, together with a commemorative album of photographs of the Bennett Gorge and of the ceremonies in the library at the formal signing of the easement deed.

Early in the year, Task Force Chairman Gus Merwin relinquished his post due to the illness of his wife. The Task Force granted him an indefinite leave of absence, and unanimously elected Joseph Calabro to assume the Chairmanship.

During the past year the Task Force has worked with a number of landowners to provide them with lasting protection for their property. Although none of these projects has been completed, it is hoped they will move forward in 1990. In addition, the Task Force is involved in long-term plans for protection of a significant portion of a local watershed.

A special project, commenced during 1989 and continuing into this year, is working to secure permanent protection for the soapstone quarry on the old Harris lot on Parker Hill Road. A preliminary draft of the easement language has been developed, together with a tentative map of the proposed zone of protection. Tree Growers, Inc., owners of the property, as good corporate citizens, recognizes the importance of the site and have been giving full cooperation to the Task Force. It is hoped that the project will be completed in 1990, thereby providing permanent protection for this important geological and historic site..

The Task Force wishes to take this opportunity to extend an invitation to all landowners to contact us for consultation about long-term protection for their land. A conservation easement may have certain tax advantages, and will insure that your wishes for protection of the aesthetic and ecological values of your land will be binding and permanent.

Respectfully submitted,
Norman E. Tandy
Secretary

CONSERVATION COMMISSION REPORT

Over the past year your Conservation Commission has continued to work toward a variety of long-term goals for protection of the Town's natural heritage.

This coming year the Society for the Protection of New Hampshire Forests will hold its annual Youth Conservation Camp from June 17 to June 22. To be eligible, applicants (either male or female) must have completed the eighth grade and be between 13 and 18 years of age. The Commission will pay all fees for those applicants it may sponsor. The Camp is an outstanding opportunity to learn about the environment, with plenty of time left over for recreation. The Commission was disappointed last year, when no applications were received and hopes 1990 will show an increase in interest. Anyone interested in attending should contact any member of the Commission before May first.

Because of the illness of his wife, Commissioner Gus Merwin has been granted a leave of absence. It is hoped that Ellie's continuing gains will allow Gus to rejoin the Commission soon.

The Commission maintains, for the use of the Town, a "solar site selector." This device allows plotting of the sun's position and angle of elevation for any day of the year. Anyone planning on building a new house, addition, or sunspace should consider taking advantage of this tool. Interested persons should contact Norman Tandy, 239-6024.

As in previous years, the Commission has accepted responsibility for maintaining the Quaker Cemetery.

On November 18th, Commissioners Taylor and Calabro attended an environmental seminar on freshwater wetlands at Bentley College.

At year's end the Commission was looking forward to working on a long-term project to locate and refurbish the boundaries of all the Town's properties. The first project will be the Allen lot, which contains the Town's old picnic grove. The Commission plans to explore the possibility of sprucing up the historic grove and putting it back into use.

Respectfully submitted,
Norman E. Tandy
Secretary

SELECTMEN'S REPORT

The past year has been a very busy one and many changes have taken place in the Town of Richmond. We issued 58 building permits and began renovation work on our historic town hall. The Selectmen are very grateful to the many townspeople who donated labor and expertise as the renovation progressed. By the spring of 1990, we plan on moving the town offices of Selectmen, town clerk and tax collector back into our 1781 town hall. The Selectmen continue to meet on Monday evening at 7:30 p.m. at the Veterans' Hall and the Secretary to the Selectmen is available in the Selectmen's Office on Wednesday from 1 to 4 p.m. and on Fridays from 9 a.m. to noon. The office will be closed on legal holidays. Moving day and opening of the Town Hall will be announced in the media.

The Selectmen would like to especially thank Charlie Gilman for his invaluable service in the wake of several key resignations. The board would also like to thank everyone who has been so generous with their time to serve on town boards and committees, this also includes our excellent fire department, police department and rescue squad.

We are particularly grateful for the excellent efforts put in by our town officers including Town Clerk Dorothy Robbins and her assistant Pam Goodell, Town Auditor Lynn Herron, Treasurer Judy Gilman and Tax Collector Rick McCarthy and his assistant Pam Bielunis. And last but not least we are grateful for the tireless work of our excellent secretary Mary Ann Beaman.

Respectfully Submitted,
David Kochman,
Norma Thibodeau,
Selectmen

PLANNING BOARD REPORT

The Town of Richmond Planning Board had a very busy year in 1989. The Board adopted the practice of meeting an additional Wednesday night per month to address the increased work demands and review the Town's zoning ordinances. Meetings were held with the South West Regional Planning Commission to review/define ordinances in relation to state statue and current practice. Several Board members attended both local and state workshops examining planning board issues, responsibilities, and state statue. I would like to commend the Board for their unending patience and dedication. The rapidly growing complexity of state statue,

legal ramification, necessary technical expertise, and sophistication of subdivision has been met head on by a very dedicated board willing to serve the best interest of the Town.

Margie Wyman will be retiring from the Board March 1990 after many years of dedication and long hard work. Her wisdom, insight, and judgement will be sorely missed by the Board. As Chairperson of the Board, I would like to thank Margie on behalf of the Board and the Town for her years of hard work.

Respectfully submitted,
Robert Coy

FIRE DEPARTMENT REPORT

The year 1989 was a good year for your Fire Department. The new Utility Support vehicle was purchased and the body installed. The Forestry Equipment is in place and the members are busy installing the lighting equipment and the Cascade Unit. This unit will make it possible for us to refill our Scott Tanks right at the fire scene. The unit should be fully operational by early spring.

Firefighters have been volunteering their time at the Civil Defense building. It is now winterized and is heated, this is where the Utility Vehicle is being stored.

Our job of protecting the lives and property of the town and fighting those fires that unfortunately do occur is made much easier by your continual support and effort to be ever careful in the use of fire. During the year of 1989 the Fire Department answered 30 calls, this is four less than the previous year. The calls were: (3) structure fires, (2) chimney fires, (9) rescue calls, (7) accidents, (1) mutual aid, (3) mutual aid cover assignments, (4) miscellaneous calls and (1) false alarm. Our reports show not only did we have fewer calls but that we had only two chimney fires. We thank you and keep up the good work.

Just a reminder that the annual Fire Extingisher Inspection will be held during the month of August 1990. This will be our fourth one, let's see if we can make it a real good one. Date and time will be announced and posted.

It is the wish of the officers and men of the Richmond Fire Department that a C.O. (certificate of occupancy) be adopted by the Town. This would make it possible for the Chief or his appointed delegate to enforce the parts of the code that are mandated by the State.

On February 15, 1989 at 8:23 a.m. the Department received an alarm for a structure fire on Sprague Road. Carl Swenson's Sawmill. When the first pumper arrived on the scene the entire building was involved in flames. A line of hose was laid from the pond back to the fire scene about 1300 feet of 2½ inch hose. The building was a total loss, we were able to save some equipment. The response for a fire during the day was very good, 18 firefighters were at the scene from Richmond. Equipment from Winchester, Fitzwilliam, Meadowood and Swanzey Center were also at the scene. We would like to take this opportunity to thank the members of the Department, their wives and families for the many hours that they have donated to the Richmond Fire Department. Thank you for a job well done.

TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER REPORT

During calendar year 1989, the State of New Hampshire experienced an average number of wildfires. The three leading causes of these wildfires were fires kindled without a fire permit from a Forest Fire Warden, children and debris burning fires that escaped control. All these causes are preventable, but only with your help.

Please help our town and state forest fire officials with forest fire prevention. By New Hampshire State Law (RSA 224:27b), "No person, firm or corporation shall kindle or cause to be kindled any fire or burn or cause to be burned any material, excapt when the ground is covered with snow, **without first obtaining a written fire permit from the Forest Fire Warden of the town where the burning is to be done.**"

Violations of RSA 224:27 and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to $1,000 and/or a year in jail and you are also liable for paying all fire suppression costs.

The State of New Hampshire, Division of Forests and Lands assisted many towns in wildland fire suppression during 1989 including several large fires in Allenstown, Alton, Chesterfield, Concord areas, as well as the

100 acre fire on Mt. Belknap in Gilford.

If you have any questions regarding New Hampshire forest fire laws, please contact your local Forest Fire Warden, State Forest Ranger, or the Division of Forests and Lands at 271-2217.

POLICE DEPARTMENT REPORT

Police activity has been on the increase as each year passes by. This year has seen another dramatic increase. In 1988 incidents were 290, in 1989 it was 419, an increase of 44%. In 1988 days of activity were 205, in 1989 it was 256. In 1988 Richmond Police officers worked a total of 791 hours. In 1989 total hours were 1,158, an increase of 46%, for an average of 22.2 hours per week our officers worked in 1989.

With past history telling us that every year has shown an increase, I believe we must look seriously at providing at least one full time officer. This would help reduce the amount of hours part time officers are now required to work in addition to their full time jobs. In addition, it would provide more time for follow up investigations, which has been neglected due to the amount of time a part time officer has to offer. For instance; criminal complaints received in 1988 were 82 and 24 remaining under investigation. In 1989, 124 criminal complaints were received and 67 remain under investigation. I believe this is a direct result of a lack of available time from a part time police department.

These problems were discussed with our selectmen in August 1989 and it was decided to send myself and Officer Davis to the Police Acedemy in Concord NH for full time officer certification. In anticipation of providing at least one full time officer in 1991. If our town does not feel it necessary to approve a full time officer in 1991, I feel with the amount of hours we are presently working, it is mandatory to obtain the training and education that the Police Academy provides.

Once again we can not stress enough the importance of citizen cooperation with your police department in the performance of our duties. Without your help many of the crimes could not have been solved and most important, prevented. Thank You all for your continued support.

Please remember to license your dog before May 1st. After May 1st, by law we must pick up your dog and deliver it to the humane society if it has not been licensed. This is costly to the dog owner who must pay a fine and pound fees and to the tax payers who pay the police officers to pick up the dog.

RICHMOND EMERGENCY MANAGEMENT REPORT

Richmond's Emergency Management Department (C.D.), worked on several projects in 1989. The volunteers from Fire, Rescue as well as representatives from Police and Selectmen, participated in three training exercises involving Richmond's Emergency Response Plan. The exercises run in conjunction with Vermont Yankee, N.H. Emergency Management, and F.E.M.A. (Federal Emergency Management) all received high marks for efficiency and professionalism.

Completion of the handicap access ramp and landscaping were two projects that went unfinished in 1989. Both projects are slated for early completion in 1990. All permits for this phase of construction have been obtained. Additionally, work to bring all aspects of the C.D. building to handicap access compliance have been and are now being addressed. The truck bay of the C.D. building has been substantially renovated by volunteers from the Fire Department in order to provide heated storage for their emergency vehicle.

ROAD AGENT'S REPORT

This past summer was very busy, but enjoyable. Roads were graded and raked. Some were also graded again in the fall. Fish Hatchery and Mill Roads were shimmed with hot top and sealed. 3,000 cubic yards of gravel was crushed at Ed Martin's pit. Approximately 1,300 cubic yards of crushed gravel was put on Taylor Hill, Lang, Martin Cook, and Activity Roads.

In the past three summers, brush has been cut on every road in town. Finally brush is getting under control. Many of the dead trees near the power lines were cut.

The Martin Road bridge was scraped and painted. Culverts were cleaned , some new culverts were installed and some culverts were reset. Toad Hollow bridge off Whipple Hill Road has been baracaded as required by the state.

And the battle with the beavers continues as usual!

HOME HEALTH CARE & COMMUNITY SERVICES

In 1989, Home Health Care and Community Services continued to provide home care and community services to the residents of Richmond. The following information represents a projection of Home Health Care and Community Services' activities in your community in 1989. The projection is based on actual services provided from January through September 1989 and an estimate of usage during October, November and December.

SERVICE REPORT

Services Offered	Services Provided	Services Supported Partially or Totally By The Town
Nursing	63 Visits	22 Visits
Physical Therapy	7 Visits	0 Visits
Nutritionist	1 Visit	1 Visit

Total unduplicated residents served: 9

In addition to the above listed activities, regularly scheduled blood pressure clinics, child health clinics, telephone and consultations were made available to your residents throughout the year. Town funding, in part, supported these additional services.

FINANCIAL REPORT

The actual cost of all services provided in 1989 with all funding sources is projected to be $5,262.00

These services have been supported to the greatest extent possible by Medicare, Medicaid, other insurances, grants and patient fees. Services that were not covered by other funding have been supported by your town. In 1989, town support is projected to be $1,978.00

For 1990, we recommend an appropriation of $3,000.00 to continue home care services at the current level.

Thank you for your consideration.

RESCUE SQUAD REPORT

In 1989 the Rescue Squad has responded to a variety of calls from vehicle accidents, medical emergencies, to standby at fires.

We have sponsored an Advanced First Aid, CPR and extriction classes, with the hope of adding new members to our squad. We hope to gain at least five new members from these classes.

This fall we have updated and restocked our equipment and supplies.

The rescue Squad would like to thank the many townspeople who have helped support the squad throughout the year.

Please remember, call 352-1100 for any emergency. We are available 24 hours a day.

RECREATION COMMITTEE REPORT

Once again our busy year began in March with an Easter Egg Hunt in the ballfield behind the Fire Station. This is one of our most popular events, even the toddlers get very excited over finding some brightly colored plastic eggs filled with "goodies" from the Easter Bunny and a quarter if you are lucky.

In early June we held a Community Pot Luck Supper at the Veterans' Hall in honor of our Senior Citizens. The food was plentiful and scrumptious and once again Pete and Shirley Taylor provided some lively musical entertainment. We all enjoyed singing along to the sounds of yesteryear. This year the grand door prize was a gift certificate to the Fitzwilliam Inn. Also each "senior" family had a nice potted plant to take home. All town residents are invited to attend the event. We hope more folks will join us next spring. Those who come always have a good time. Pete and Shirley Taylor see to that!

Summer swimming lessons were a great success thanks to Katie Brunk.She has a wonderful rapport with the children and easily gets them to try things they would never do for Mom. Unfortunately, our lessons had to be given at the Town Beach as Camp Takodah no longer has time for us.

This year our one week summer day camp program was contracted out to the Cheshire County YMCA satellite program. There was much dissatisfaction with the way it was run and it was strongly recommended that the Recreation Committee again assume the running of the camp. This year we had 25 children participate.

We had beautiful weather for the Labor Day Parade this year. Once again the Shir-Roy Campground, the Richmond Community Church and the whole gang from the Wizard of Oz led by Dorothy, alias Ariel Doubleday, marched in the parade. The Recreation Committee hired a clown who handed out free helium balloons to all the children. This was a big hit with the children and we plan to continue this for future parades. There were many pieces of fire and rescue apparatus from Richmond and neighboring towns. We extend our appreciation to all who participated and all who came out to enjoy the parade.

Our annual Children's Halloween Party was again enjoyed by a large and enthusiastic crowd of goblins. There was costume judging with lots of prizes, apple bobbing with quarters as a prize, eating donuts off a string, witches brew and lots of cookies, cupcakes, etc. which were enjoyed by all.

Once again our Christmas Party seems to be attended by fewer and fewer children so we have decided to cancel next year's Christmas Party in favor of a hay or sleigh ride.

If anyone has any suggestions on activities they would like the committee to sponsor, please call one of our members.

If you have a special talent or skill that you would like to share, please contact a committee member. If you are interested in serving on the Recreation Committee, please contact the Selectmen.

Look for posters at the Library and Four Corners Store announcing upcoming events, or call a Recreation Committee Member for information. In June, we expect to mail a schedule of events to each household in Richmond, which includes the registration form for swimming lessons and Day Camp.

LIBRARIAN'S REPORT

This year has been a busy and exciting one for our library.

Our summer "Read-A-Thon" showed a wonderful turn out with 59 participants. We had a party to congratulate all those who signed up. The children were delighted with their gift certificates for a new book. Many thanks to the "Friends of the Library" for their sponsorship and continued support.

I am pleased to announce that our new "Children's Room" will be finished in the very near future. We will have an Open House and I want to extend an Open Invitation to everyone in Richmond. Please stop in and see what we've accomplished with "Your" donations.

We continue to hold a Story Hour every other month or so. I have added a movie hour featuring a special movie on our VCR (popcorn included) during the winter months.

With the opening of our Children's Room, I will be purchasing many new Non-Fiction books for juvenile and Young Adults. We'll also have a new study area so that our students in town can feel free to use our library for any reference work they need to do.

As you can see by our circulation data, more people are using the library and finding the current best sellers on the shelves.

Our hours are: Tuesday.....2:00 - 8:00

Saturday.....1:00 - 5:00 winter 9:00 - 1:00 summer

Please stop in soon for a tour of our new addition. Thank You for your continued support.

LIBRARY TRUSTEES REPORT

The big item of interest is the new addition, the Children's Room, and two big things must be said about it. The first, of course, is that the children of Richmond now have a beautiful new room where they will find hundreds of new books to read. They will find a video, audio and study center and they will find a well lighted, cozy area for reading, learning and enjoying.

The second thing that must be mentioned is that this entire addition, from the foundation to the roof, from the wall-to-wall carpet to the bright lights, from the new handicap accessible entrance, from the shelves to the hundreds of new books, all of it, all of the new addition was paid for by contributions. Thousands and thousands of dollars that people of our Town have given to the library so that it could provide the town children with the best possible environment in which to learn and grow.

In these times of "confused priorities" it is a joy to see how the people of Richmond go right on doing what needs to be done. I have no idea how to begin thanking all those generous people: like the folks at the Four Corners Store or the Friends of the Library or the individual donors or even the people from Harper and Row who gave us books. The best I can do is say that we at the Richmond Library offer our thanks at this time and the best thanks will come later from the children.

Auditor's Report

I have examined the accounts of the Trustees of the Richmond Public Library for the fiscal year ending December 31, 1989. Records of the amount covering the town appropriation of $8,340.00 were correct. The checking account ending balance was $3,954.37.

The Library Account was checked and verified and to the best of my knowledge and ability were correct.

Respectfully submitted,
Ruth Flanders, Auditor

BEACH COMMITTEE REPORT

This past summer several loads of sand were added to the beach as well as gravel to the boat landing area to restore those areas that were severly eroded from the winter past. No major projects are planned for this coming summer.

Respectfully,
The Beach Committee
